10. Risk Management

The Group is exposed through its operations to the following financial risks:

- Ø Credit risk
- Ø Interest rate risk
- Ø Foreign exchange risk
- Ø Inflation risk, and
- Ø Liquidity risk.

There have been no substantive changes in the Group's exposure to financial instrument risks, its objectives, policies and processes for managing those risks or the methods used to measure them from previous periods unless otherwise stated in this note.

11. Transaction Price allocated to the remaining performance obligations

The following table includes revenue expected to be recognised in the future related to performance obligations that are unsatisfied (or partially unsatisfied) at the reporting date.

	2026 N'000	2027 onwards N'000	Total N'000
Civil Works	56,000,000	327,000,000	383,200,000
Building Works	276,900,000	643,000,000	919,600,000
Services	79,800,000	153,000,000	233,200,000
Diversification	5,300,000	25,000,000	30,300,000
Total	418,000,000	1,148,000,000	1,566,300,000

All contracts with customers has been considered in the amounts presented above.

12. Material Accounting Policies

The material accounting policies applied are consistent with those disclosed in the audited consolidated financial statements as of December 31, 2025, which provide a comprehensive overview of our accounting approach and principles.

13. Retirement benefit liabilities

Obligations under defined benefit plans are calculated separately for each plan by estimating the benefit amount that employees have earned in return for their service in the current and prior periods which represent employees' terminal gratuities based on qualifying years of service and applicable emoluments as per operating collective agreement. Management has decided to settle the obligations and it is probable that the amounts due will be paid. Consequently this had been incorporated in the preparation of these interim financial statements.

14. Related party transactions

The Company entered into various transactions with related parties ranging from purchase of goods or services, to expenses incurred by the related party on behalf of the Company. Related parties to the Company include:
